The Catholic Community of St. Joseph's Church

Parish Ministry Sign-up

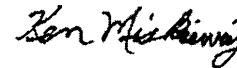

St. Joseph's Parish is a vibrant Faith Community of over 4200 families, dedicated to the Gospel of the Lord. We are a family centred in Jesus Christ, nourished by our Sacramental Life and Prayer. Through Christ we are a people generous with time, talents and gifts. As a Parish Family we are invited to see each person as a precious and unique individual as we support and nourish each other within and outside our Parish Family.

I invite you then to take ownership of your Parish Community and hope that you will respond with generous hearts to the call of the Gospel as we strive to continue to grow as the family of St. Joseph's Parish Community in Guelph.

The Parish Council members, who represent each committee indicated, will contact you very soon. All parish volunteers are screened as the government has instructed and the volunteer screening process will have to be completed prior to starting work in your chosen ministry.

May our loving God, St. Joseph and our Blessed Mother Mary watch over and protect all the members of our Parish Family and may we strive to model our lives of loving service on the Good News of the Gospel.

In God's Loving Service,

Father Ken Miskiewicz
Pastor

Please mark all ministries you are interested in and NOT yet involved.
 If you are able to assist at one or more Masses, simply mark the appropriate box.
